

## **WELCOME TO KENT SKATING CLUB'S 2011-2012 SEASON**

The Kent Skating Club (KSC) Board of Directors extends welcome greetings to our prior and newly enrolled members alike as the club begins activities for the 2011-2012 skating season. We are off to a good start planning for the new season and look forward to a very exciting and enjoyable time at the rink with you and your families.

Because of our tremendous efforts at fundraising last year, we are happy to report that our hourly club ice fees will remain the same this year. We will again be spreading ice payments across nine months instead of eight to help lessen the impact each month. The club will also be looking for your help with fundraising again this year. We have several new fundraisers planned and are always open to fresh ideas!

Please read the enclosed *Skating Guidelines* document carefully. KSC's skating guidelines are developed to assure the safety and effectiveness of our ice sessions and afford opportunity to the skaters of having a consistently positive skating experience. In order to reinforce the skating guidelines and ensure the safety of all on the ice, KSC Safety Town will be operating again in the fall. More details will follow on arranged dates and times for KSC Safety Town. If you have any questions, the Board encourages contact through the email addresses provided below, or you can make inquiry during club activities at the KSU Ice Arena. Please feel free to ask questions of any Board member, we'll gladly try to help.
